SWIM SCHOOL

Our swim school welcomes swimmers of all abilities, with the goal of creating water-safe, capable, and confident swimmers taught by our top-notch team of nurturing, creative, and experienced instructors. From parent + child classes starting at 6 months, to drop-off classes for children ages 2.5-14 as well as private lessons for swimmers of all ages, the JCC Swim School can meet every need. We provide our families with a warm, personalized experience and empower our swimmers to become brave and strong in the water, as well as enabling a lifelong love of aquatics! We are proud that our Aquatics leadership have been specially trained to integrate a social/emotional lens on children's instruction, which aims to teach fundamental skills in a safe and joyful environment, using swimming to build physical and emotional strength and self-esteem both in and out of the pool! Ask us more about how JCC Aquatics is distinguished from other swim schools.

SN denotes classes for children with special needs and their families. For a full listing of programs through The Jack and Shirley Silver Center for Special Needs, visit mmjccm.org/special-needs.
