SN denotes classes for children with special needs and their families.

For a full listing of programs through The Jack and Shirley Silver Center for Special Needs, visit mmjccm.org/special-needs.

Athletics

Confidence. Exercise. Social skills. Children get each of these benefits and more when they step onto the JCC gymnasium floor. Our athletics classes provide the foundation for a healthy lifestyle while teaching your child determination, resilience, and teamwork. Children focus on cooperative play, skill-building, and sportsmanship with the JCC's renowned, energetic coaching staff. Our athletes develop athleticism and sportsmanship through creative warm-ups, fun drills, and class games as they practice a wide range of sports throughout the semester. As our kids grow, game strategy becomes a major objective as we introduce friendly competition.
